MESSAGE: Dear Ms. Toomer,
Thanks for the interview... it was most helpful and could be a model for how interviews work to allowing the Office and the parties to arrive at a good claim format to differentiate over the prior art and yet afford good protection.
Faxed herewith are the two claim formats proposed per our discussions at the interview. Please review them and fax back to me any comments you may have and, upon my return to the office on Wednesday, I will incorporate any suggestions and prepare the final amendments which I hope to file on Friday, June 27 <sup>th</sup> .
Fax the comments back to me at the Middleburg office (703) 753-9481. I will will be out of town today and tomorrow.
